Note to Parents:

Parent requests for different snack and breakfast options have been shared with the School Nutrition Services department. Please note that the snack and breakfast items have to be available in bulk quantities and must meet the guideline set forth by the National School Lunch Program.

Whole grain cereals or yogurt are also available daily if you would prefer that your student not eat the hot entrée item.

We try to provide a variety of activities that meet the needs of all students including gym time, outdoor play, crafts, games, Chromebook time and play time. It is always a challenge to find the right balance to please everyone.

Thank you for your feedback!
