#### NPHS Course Selection 2024-2025

Welcome to the home of course selection for NPHS. This site will provide you with valuable "How-To" tutorials, applications and forms. There is also a helpful FAQ's page to answer your questions. Finally, the Program of Studies will give you specific course information that will be quite helpful and will go a long way in ensuring that your course selection experience is a smooth one. The entire course selection process will be done online, which includes current 9th-grade students at each respective middle school through all current 11th-grade students at NPHS and Northbridge. Here you will find all of the information needed to successfully make course selections for next school year. The course selection window will occur from 1/26/2024 through 2/5/2024, and you will be able to access this through the **Student Portal** at the appropriate time. After that window, students have the opportunity to meet with their guidance counselor and initiate changes through April **30**, 2024. After that, NO STUDENT-INITIATED CHANGES ARE PERMITTED.

To Consider Later On: Dual Enrollment

The DE programs enable students to earn both high school and college credits at the same time. DE is offered either on-campus at NPHS or off-campus at the college/university.

Note- open to at end of sophomore year

#### Helpful Hints to Stay Informed: (for when your student is officially in 10th grade)

- <u>*Class of 2027* (D103)</u> <u>Announcement Page in Canvas</u> class information, course selection and future planning information
- Remind students to <u>check their email weekly</u> Quickest way to get information to all of you.

# **Finding Balance**

- Students need to find their own individual balance.
- Get involved in extracurricular activities
  - Fall sports start August 12 and football starts August 5
  - Marching Knights- open house in February- contact Mr. Santanello for information
  - Clubs/Activities hold a sign up day in September during lunches
  - Community sports/organizations
  - Part time jobs/volunteer
- Challenge themselves academically <u>but</u>don't overload
  - Looks different for each student
  - It's okay to be cautious and thoughtful in planning your year

# Thank you, Class of 2027!
